IN REPLY REFER TO No. ENCLO.

Telegraphic Address: "FOOD CONTROLLER"

OFFICE OF THE FOOD CONTROLLER IN MYSORE, Camp Tumkur,

Bangalore, 3rd February 1919.

From

K. MATTHAN Esq.,

Food Controller in Mysore,

BANGALORE.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Govt. of Mysore,

Bangalore.

Sir,

I have the honour to forward herewith a copy of letter No.795 of the 25th January 1919, from the President, Mysore City Municipal Council, regarding the disposal of 700 bags of Rangoon rice in stock in the Mysore City, which had been sent there in accordance with ~~the~~ urgent requisitions of the President at a time when rice was not freely coming in to the market in Mysore. Now there is no demand for this rice and it would be rather expensive to bring it back to Bangalore. Further rice weevils have commenced attacking the rice. I would, therefore, recommend that the rice may be ordered to be auctioned. If we cannot dispose of it at not less than Rs. 18 per palla, I would bring it back to Bangalore and disposeof it here.

I have the honour to be,
Sir,
Your most obedient servant,

K. Matthan

FM/MPH.

Food Controller in Mysore.

Letter No. 795 dated 25th January 1919 from the President, City Municipal Council, Mysore, to the Food Controller in Mysore, Bangalore.

I have the honour to state that about 700 bags of Rangoon rice are in stock in Mysore City at the Provincial Depot and the Municipal Grain Depot. Local fine first class old rice can be had here at 5 seers per rupee and new fine rice at 5½ to 6 seers per rupee. So that there has been and is no demand for Rangoon rice even at 5 seers per rupee. If kept for any length of time the rice which has already been attacked by the rice weevil, as we noticed this morning, when you, Revenue Commissioner and I had met, is likely to get spoiled, so that even this price cannot be obtained later on.

2. I have therefore to request you to be so good as to let me know what may be done with this rice.

Copy.

For Food Controller.
